Single Family on 0.00 Acres

Newton, Edmonton, AB

This expansive Newton bungalow offers an impressive 2,880 sq ft of beautifully designed living space across two fully developed levels. Lovingly maintained and tastefully modernized, the home features stylishly upgraded bathrooms and a contemporary kitchen outfitted with stainless steel appliances. Sustainability meets convenience with solar panels and an EV charging station already in place. Offering 3 bedrooms, including a spacious main-floor primary that can easily be converted back into two rooms, plus a basement bedroom with a proper egress window for added safety. The fully fenced backyard with underground sprinklers is perfect for entertaining or relaxing, with room to park an RV and enjoy the above-ground pool. Storage is plentiful with a generous garage and versatile basement utility areas ideal for hobbyists or home-based projects. With its flexible layout, thoughtful upgrades, and energy-efficient features, this home strikes the perfect balance of comfort, practicality, and modern style.
